## The Way We Were

Memories, light the corners of my  
mind,  
Misty water color memories  
of the way we were.  
Scattered pictures of the smiles  
we left behind,  
Smiles we gave to one another  
for the way we were.  
Can it be that it was all so simple  
then,  
or has time rewritten every line?  
If we had the chance to do it all  
again,  
tell me would we? Could we?  
Memories may be beautiful, and  
yet,  
What's too painful to remember  
We simply choose to forget.  
So, it's the laughter we will  
remember,  
Whenever we remember  
The way we were; the way we were.

## DEDICATION . . .

For the past four years Mrs. Jean McGann has completely dedicated herself to the Class of 1985. Through these years she has had to juggle her responsibilities as a Brimfield select person, teacher and wife to make certain she was always there for us. Selfless and devoted, she **was** there.

Even as Freshmen, she made us believe that we were special — that we could strive and achieve and succeed. Mrs. McGann taught us what it meant to accomplish something by working together. She was our silent strength and proud rally cry.

She, an adult, believed in and respected us. We, in turn, learned to respect, admire and love her. Mrs. McGann guided us through Thanksgiving rallies, winter carnivals, car washes, magazine drives, M & M sales, cap and gown measurements and many other endless high school activities. During all of this, she became our own special friend.

Mrs. McGann, you are and always will be the uniting force, the motivating force, and the winning force behind our class. We want to thank you for all the wonderful memories.

Forever,  
The Class of 1985

After an **outstanding** teaching career that spanned twenty-five years, Mrs. Elizabeth LeClair, a member of the SHS Business Department for the past seventeen years, will be retiring at the end of this school year. Prior to coming to Southbridge, she spent eight years at Tourtelotte High School in North Grovesnordale, Connecticut.

Affectionately known as "Betty" by her colleagues, she was always highly respected by both staff members and students alike. Blessed with a wonderful sense of humor, she will always be remembered and sorely missed as a stern taskmaster who always had her student's best interests at heart. She once said, "When I get angry, It's not because I don't care; it's because I do!" Undoubtedly, the quote best sums up her philosophy of teaching, that of caring.

A graduate of Tourtelotte High School, she acquired her Bachelor's Degree at Annhurst College and her Master's at the State College in Worcester. She and her husband, George, who live in Quinebaug, have been married for thirty-five years and have three children.

Interviewed for a school newspaper article a few years ago, she stated at that time that if allowed one

## RETIREMENT . . .

wish she would ask for "good health coupled with early retirement to travel to her heart's content." Her wish was obviously granted as, in excellent health, she will retire at fifty five, has already traveled to France in April, and is looking forward to a return trip to Hawaii in the very near future.

Speaking for the entire SHS family, the yearbook staff congratulates Mrs. LeClair on her successful "Silver Anniversary" career and extends their best wishes for continued health and happiness in her retirement years.

In mid-October, SHS underwent four days of intense scrutiny by a visiting twelve member team of evaluators from the New England Association of Schools and Colleges (NEASC). Essentially, the four days were spent reviewing how Southbridge High School stacked up to eleven different NEASC standards such as school philosophy and objectives, and fifteen subject areas such as English and Social Studies. In addition, the evaluators met with staff, questioned students at random, and studied the physical plant of the school.

Prior to the arrival of the NEASC team, school administrators and staff went through fifteen months of intense self-evaluation and mountains of paperwork in preparation for the visit. The intent was to be re-accredited by the NEASC — accreditation being considered essential for a community to keep its educational standards high.

Though the final evaluation report was expected to be released in the spring, after this yearbook's last deadline, it was the consensus of all involved that SHS had again passed the evaluation with flying colors.

# SENIORS AND JUNIORS INDUCTED . . .

On Wednesday, December 12, 1984, thirty Juniors and Seniors were inducted into the Southbridge High School Chapter of the National Honor Society. The ceremony, conducted twice a year for scholastically eligible and high-ranking students, was a great honor for the new members. In charge of the induction were the following Honor Society officers: President Stephanie Chrisikos, Vice-President Anthony Kowalewski, Secretary Amy Szczygiel and Treasurer Patricia Ramirez.

## HEAVEN . . .

The Class of 1985, under the direction of Advisors Mrs. Jean McGann and Mr. John Hoogasian, presented "Heaven", the 1984 Junior-Senior Prom. On May 25, 1984, a crowd of over two hundred and fifty danced to the sounds of "Fine Wine". The incomparable surroundings of the Worcester Marriot Inn provided an elysian evening which was climaxed by the traditional crowning of the Queen and her Court. "Heaven's" Queen was Lisa Cantara while Court members were Claudette Frechette, Heidi Biadasz, Karin Checka and Wendy Warren. (Opposite page)

## FREEDOM JAM & AIRWAVES ROCK SHS ...

The six member rock band, Freedom Jam, from St. Petersburg, Florida, appeared at Southbridge High School on March 5, 1984 for a student assembly. The band stressed the importance of "freedom" in America, and, with comedy, traced the changes in music from the past to the present. Making another appearance for a night performance on March 8, the group again graced the SHS Gymnasium with their terrific rock music. Fans in the stands rocked to popular hits by groups such as Van Halen, Quiet Riot and the Police. The outstanding concert was sponsored by our Student Council.

## ROCK CONCERTS

On April 9, 1984, the Air Force Band called **Airwaves** filled the SHS gymnasium with their terrific sounds! The group, from the New Hampshire area, provided us with an hour-long concert of many of our favorite hit songs. Many thanks to our guidance counselor Mr. Boudreau and the local recruiter for coordinating the enjoyable time had by all.

## STUDENT COUNCIL BLOOD DRIVE

The SHS Student Council, under the direction of Mr. Jeffrey Larson, sponsored its annual blood drive in our gymnasium. As in previous years, both faculty members and students contributed generously to help make the drive a very successful and heartwarming event.

## SPRING CONCERT

The annual Spring Concert was held on Wednesday, May 23rd. Southbridge High's auditorium blossomed with applause as our Concert Band and Concert Choir practiced all present to an outstanding musical evening. Other standouts were the jazz band and the Select Choir.

Congratulations are extended to Mr. Libera and Mr. Condon, co-directors of the evening, and to all who participated in this traditional reception of spring.

Good Grief! The Peanuts Clan came to Southbridge High School on May 4 and 5, 1984 in the production of "You're A Good Man Charlie Brown". The musical was put on by the Chorus Department under the direction of Mr. Condon. The eleven member cast rehearsed daily, and when it was showtime, their work really paid off!

Cast members included Robert Chernisky as Charlie Brown, Claudette Frechette as Lucy, Daniel Carragher as Snoopy, Bruce Earnest as Linus, Tony Kowalewski as Schroeder and Melissa LeBlanc as Patty. The proceeds went to the Principal's Scholarship Fund.

## STUDENT GOVERNMENT DAY

On May 4, 1984, SHS Sophomores took part in the Social Studies Department-sponsored "Student Government Day." The purpose was to give Sophomores taking the State and Local Government course the opportunity to experience the reality of seeking local public office and performing as local government officials.

Student Government Day began with an assembly hosted by our Principal Mr. Desroches who introduced the following government officials: State Representative Marilyn Travinski, Town Manager Donald Jacobs, Town Council Chairman Dan Morrill, Superintendent of Schools Dr. Kenneth L. Johnson, and School Committee member Nancy Benoit. The five briefly elaborated on their roles as public servants.

Eventually, our Sophomores shadowed their counterparts at work as student councillors attended a Town Council meeting, student school committee members attended a School Committee meeting, while many individual students spent time working with their counterparts.

The program was a great success due to the efforts of Social Studies Department member Mrs. Mary Ferron and Department Chairman Mr. Dennis Desroches.

## STUDENT COUNCIL DINNER

On November 1, 1984, the Student Council honored their two advisors — the former advisor, Mr. Larson, and the present, Mr. Theodoss.

The dinner welcomed parents of Council members, administrators, faculty and Student Councilors themselves who put a great deal of planning and preparation into the evening.

Speeches were given by both Council President and Vice President Michelle Ledoux and Gina Crance.

An enjoyable time was had by all!

# SPRING DAY '84

On June 13, 1984, Southbridge High School's annual "Spring Day" took place at Dresser Street Field. As always, there were many activities throughout the day, two of the more popular with all present were the **break dance contest** and the big finale, the **tug of war**. The highlight of Spring Day had to be the delicious **Ice Cream Races!**

Under the direction of Mr. Larson and his Student Council, Spring Day '84 turned out to be an enormous success.

Southbridge High's halls came alive with Halloween spirit on Wednesday, October 31st, thanks to our Student Council-sponsored annual Halloween Dress-Up Day. Many joined in and sported a variety of ghoulish, humorous and cleverly assembled costumes.

The first place award for "Best Costume" wisely went to Tony Kowalewski as Confucius. Michelle Pytko unbe-"leave"-ably captured second place dressed as a tree. Third place went to Kathy Lavallee, Sherry Szydlik, Sue Lazo, Dena Gervasi, Kristi Panico, Kerry Lafrenais and Missy Cournoyer who graced the halls dressed as angels.

# PIONEER FOOTBALLERS FINISH OUTSTANDING SEASON AT 7 AND 3 ...

Head Coach Don Marino's "Silver Anniversary" year began on a positive note as his team defeated Northbridge, its first opponent, 13-7. The win proved costly, however, as injuries depleted the Pioneers in losses the following two weeks to Shepherd Hill (15-19) and Algonquin (0-28). The two losses were followed by two victories over Clinton (29-12) and Auburn (14-13). The following week, the team outplayed Division I Westboro but came out on the short end of a 14-23 score. Though they lost to Westboro, the game proved to be the turning point of the season. Free of key injuries for the remainder of the season, our footballers reeled off four consecutive wins against Palmer (18-6), Tantasqua (29-6), Shrewsbury (27-7) and Bartlett (22-6).

## PIONEERS 22 INDIANS 6

In the Tantasqua win, Tom Vangel received the Ted Farland "Most Valuable Player" Award for his great efforts. In the last home game of the year, the victory against Shrewsbury, Reed George was selected as the winner of the Arthur Girouard Memorial Sportsmanship Award.

The sweetest victory of the season came on Thanksgiving Day as the team ended a four year losing streak by defeating the Bartlett Indians. For his outstanding game, which included three touchdowns and a two point conversion, Dave Labonte was the unanimous selection as the Sabatinelli **Most Valuable Player**.

Congratulations to Coach Don Marino, his staff, and to Co-Captains Neil Gendreau and Dan Girard for their leadership efforts which resulted in an outstanding 7 and 3 season.

AROUSES TEAM TO

THANKSGIVING DAY WIN 22 - 6

If end results are any indication, this past year's Thanksgiving Rally was the most successful in the last five years. Organized by the cheerleaders under their advisor, Ms. Linda Langevin Jowett, the enthusiasm throughout was at a fever pitch. Aside from the ever-present cheerleaders, the SHS Band under Mr. Libera, majorettes, student body and faculty all took part in the excitement. As mentioned earlier, the end result was a rewarding 22 - 6 victory by the footballers on Thanksgiving Day.

A Border Conference Championship! That dream at the beginning of the season became a reality by season's end. After losing three out of their first four, Coach Jill Leach's stickers reeled off seven consecutive wins to close out their regular season with an outstanding 8 and 3 record. It proved to be the best in the school's history, gave them the league co-Championship with Shepherd Hill, and qualified them for the District Playoffs.

For their fine play during the season, team members Darlene Lamprey, Michelle Pytko, Tina Young and co-captain Michelle Caplette were chosen on the Border Conference All-Star Team while the Pioneerettes other co-captain, Kelly Dunn, was selected to the Conference Honor Team.

In the Districts, the girls mowed down their first three opponents by defeating Leicester 2 - 0, upsetting top-seeded and undefeated Blackstone-Millville 3 - 2, and then topping Murdock 1 - 0. Hopes for a District Championship finally came to an end, however, in the District Championship game as they lost to Oakmont by the score 2 - 1. Nevertheless, they still wound up with an outstanding overall record of eleven wins and four losses.

Though the 1984 Soccer Team's overall record of 3 - 8 - 5 was not that impressive, there were several pluses for the season. The most impressive was the selection of Fullback Vic Bounphasaysonh and Forward Bengmany Bounphasaysonh to the Border Conference All-Star Squad. Both were richly deserving as they provided the team with offensive firepower in most of our games.

Another plus was the steady play of goalie Jim Alicea and the leadership of Athas Tsongalis, the team's co-captains. During a six game stretch at mid-season, the team won one, lost one and tied four, several of the ties being against teams they had lost to earlier in the season such as Quaboag. Coach Gosk's team finished on a positive note for the future by defeating David Prouty of Spencer 2 - 1.

Back: Harry Theodoss, Kevin Checkosky, Robert Labarge, Scott Ashton, Kris Lindkvist, Chris Gosk, Don LeBlanc and Coach Walter Gosk.

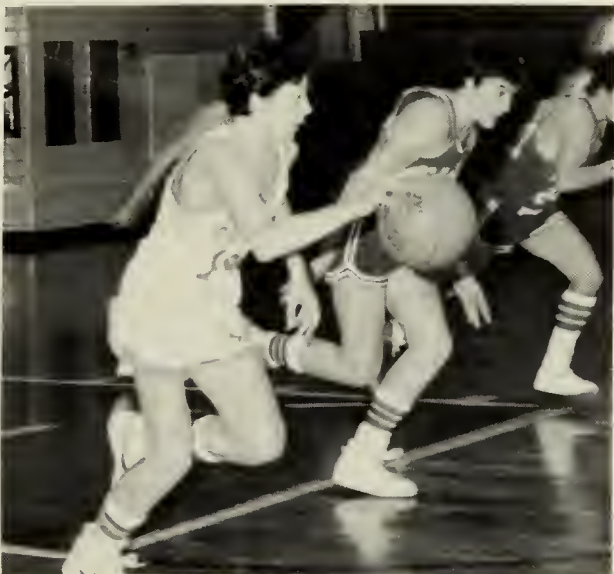

Early season victories over North and St Mary's High Schools of Worcester and Border Conference rival Shepherd Hill gave hopes for a successful season. It wasn't to be, however, as erratic shooting and inconsistent play from the team's Seniors doomed the Pioneers to also-ran status. On the positive side, there was the continued improvement of Juniors Scott Ashton and Don Leblanc. Also gaining valuable experience for the future were Junior Kris Lindkvist and Freshmen Chris Gosk and Kevin Checkosky.

The Pioneer Junior Varsity team, under Coach Peter Hughes, and the frequently outstanding play of scoring leader Chris Gosk and Co-Captains Kevin Checkosky and Chris Caplette, wound up with a winning season to boost hopes for future Varsity team success.

# J.V. Basketball

Coach Jeff Theodoss' 1984-85 squad compiled one of the finest ever girls basketball seasons in SHS history. Overall, their record was a sparkling 16 and 2, the two losses by a mere four points. Even more spectacular was their 11 and 1

# Conference Champs!!!

Conference record and Championship! The team was led, both offensively and defensively, by the trio of Captain Cheryl LeBel, Michelle Pytko and Darlene Lamprey. Other important cogs in the Pioneerette machinery were Kara Canney, Mellisa Rapo and super sub Tina Young.

# And Districts Too!!!

For their outstanding season, the Pioneerette Varsity was selected to play in the District Playoffs. This yearbook's last deadline occurred just before those playoffs.

Varsity success went hand in hand with Junior Varsity winning as J.V. Coach Peter Hapgood's team turned in an undefeated 16 and 0 year! The team won the conference title with a flawless 12 win and no loss record and over a two year period they won 29 consecutive games!

Assessing his team's potential before the start of the season, Coach Santilli hoped that his final year as head coach of our Pioneer baseballers would be a successful one. Unfortunately, it wasn't to be. Inexperience and a lack of overall consistency, both offensively and defensively, doomed his team to a mediocre season record. Regardless, the SHS family congratulates and thanks Coach Santilli on his many years and contributions to Pioneer athletics.

# LISA AYOTTE PICKED ON B.C. ALL-STARS

Front: Tri-Captains Cheryl Kahikina, Michelle Poirier and Michelle LeBoeuf and Patricia Howlett. Back: Coach N. Richard Leduc, Natalie LaBonte, Lisa Ayotte, Linda Kantorski, Carrie Lorkiewicz, Melissa Rapo and Sheri Dupuis.

L to R: Captain Cheryl Kahikina, Coach N. Richard Leduc, and Captains Michelle Poirier and Michelle LeBoeuf.

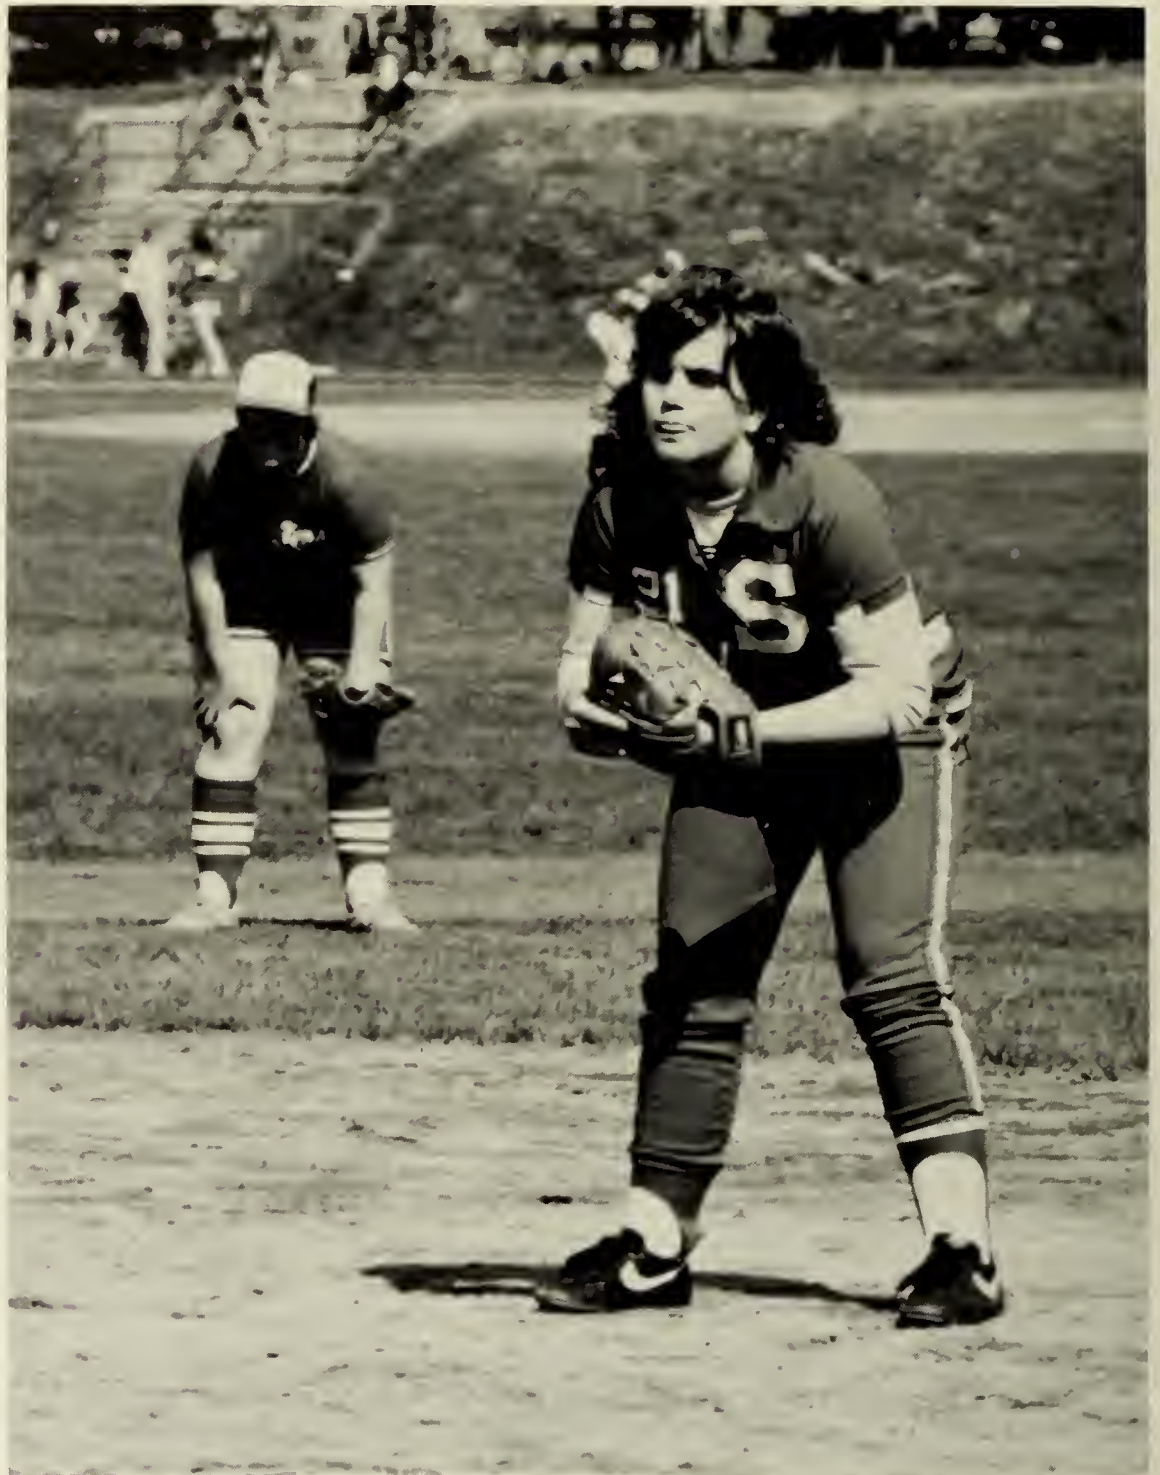

Though the 1984 softball season was less than successful, Pioneerette Coach Dick Leduc's squad did something most other Border Conference could not; they defeated the Bartlett Indians (13-11) who eventually won the Conference Championship.

The team, led by Senior co-captains Michelle LeBoeuf and Michelle Poirier, had one other highlight. At the conclusion of the season, Lisa Ayotte was selected to the Border Conference All-Star Team.

It was basically a rebuilding season which was echoed by Coach Leduc's quote at the end of the season, "We are quite optimistic about next season!"

## J.V. SOFTBALL

Finnish exchange student Minna Virolainen had never played American softball prior to the '84 season. Watching her rapid progress game after game was a highlight of Coach Tom Kruczek's J.V. season. Her development, however, and the frequently enthusiastic efforts of Patty Ramirez, Kerry Provost and Nilza Delgado were not enough to guarantee either a winning season or, for that matter, any victories. Nevertheless, the team's desire and enthusiasm were high for the entire season.

# BEST EVER . . .

L to R: Co-Captain Cheryl LeBel, Coach Jill Leach and Co-Captain Michelle Caplette

1st Row: Tina Young, Michelle Pytko, Celeste Bellerose, Co-Captains Cheryl LeBel and Michelle Caplette and Sheila Morrill. 2nd Row: Julie Travnicek, Kerry Thurlow, Maura Powers, Laura Carmel, Stephanie Polesnak and Kristi Panico. 3rd Row: Coach Jill Leach, Tara Benoit, Kolby Forrester, Pam Clemence, Sheri Gaulin, Paula Couture and Colleen Davey.

The 1984 team, led by Junior Co-Captains Cheryl LeBel and Michelle Caplette, compiled the **best record ever** for an SHS Girls Track Team.

Part of their success was the eclipsing of previous SHS records by Celeste Bellerose (shot put), Cheryl LeBel (javelin & 880), Michelle Pytko (440), Stephanie Polesnak (high jump), and Tina Young (long jump and 100). Both relay teams broke SHS records and Colleen Davey tied the mile record.

At the conclusion of the season, several of the girls participated in the Districts while Tina Young and Michelle Pytko were picked to the Border Conference Team.

Coach Jill Leach voicing optimism for the future said, "A tremendous season! We had a fine group of young athletes who showed a great deal of dedication to the sport."

## PIONEER TRACK

1st Row: Head Coach David DiGregorio, Shawn Cormier, Gara Tata, Ron Bachand, Stefan Glink, Co-Captains E Sottile and Walter Riel, Mark Normandin and Assistant Coach Peter Holden. 2nd Row: Rich Johnson, Joe Sottile, Todd Robida, Alan Arns, Eric Brousseau, Jim Bachand, John Lawrence, John Renaud and Steve Allard. 3rd Row: Dave Robida, Mike Auger, Erik Ricci, Keith Guertin, Jeff Cantara and Gerardo Alicea.

L to R: Head Coach Dave DiGregorio, Co-Captains Walter Riel and Ed Sottile and Assistant Coach Peter Holden.

After two previous winning seasons and a Border Conference Championship in '83, the track team began its season with a great deal of optimism. That optimism wasn't reflected in winning, however, as the squad compiled a two and five won-loss record.

First year Coach David DiGregorio's quote at the end of the season: "The 2 - 5 season record was really not indicative of the talent found on this young track team. Although we had some bad breaks during the '84 season, we have the potential to turn that record around in the upcoming year."

The SHS Girls Tennis Team came close to splitting their season with an overall record of 4 and 6.

Encouraged by Coach Carmen Loconto, the entire team worked hard to finish with a respectable season.

Two team members earned outstanding individual achievements.

Both Junior Co-Captain Jennifer Gosk and Sophomore Darlene Lamprey made the Border Conference All-Star Team.

At the end of the season, Gosk, the team's most consistent player, said,

"This year gave the younger prospects a chance to gain experience and next year we'll have maturity. With this, we should come out **tough and ready!**"

Front: Lisa Maynard, Co-Captains Jennifer Roscoe and Jennifer Gosk and Stephanie Chrisikos. Back: Coach Carmen Loconto, Darlene Lamprey, Cara Poulin and Kara Canney.

# TENNIS

Boys Tennis Coach Jim Kane's main problem for the '84 season was again inexperience. For the past two years, our male netsters have given their all in effort but come up on the short end of respectable records. Their lack of experience, coupled with playing against stronger opposition, gave them an overall 2 and 7 record.

Front: Robert George, Captain Mike Canney and Vince Marino.  
Back: Don LeBlanc, Mike Vallee, Peter Laliberte, Scott Choinski and Coach Jim Kane.

During the past four seasons, our Pioneer harriers were led by experienced runners such as Walter Riel, Glenn Corbitt, Henry Hernandez and Bob LeBel. All were Border Conference All-Star selections and led their teams to successful seasons. This year's squad, however, lacked any upperclassmen with previous experience and, as many as ten members of the team were Freshmen. Even though Coach Leduc's runners suffered through a losing season, it is hoped that next year will bring improved results.

## A REBUILDING SEASON . . .

Kneeling: Jamie Robida, Ron Chernisky, Sam Gonzalez, Alan Demers and Michael Thibeault. Standing: Steve Bellerose, Chris Caplette, Kevin Checkosky, Joe Sottile, Craig Tata, David Robida, Robie Bruneau and Coach N. Richard Leduc.

## A RARE SEASON . . .

After back to back Conference Championships the past two years ('83 & '82), and winning forty-five out of fifty-three matches the previous three years ('81, '80, & '79), it was inevitable that the golf bubble would burst. It did in 1984 as the team won only five out of twelve matches.

Under the leadership of Captain Lance LaFortune, Coach Dennis Desroches' team went for experience, a rarity for SHS golf teams. Lance and Kerry Dion were the only players with previous experience and the coach gave his "tournament-trying duo" plenty of credit. Hopefully, the experience gained will produce future SHS golf success.

In late October of 1984, Senior Anthony Kowalewski was presented the Massachusetts Association of School Superintendent's **Certificate of Academic Excellence**. He was later honored at a luncheon at Worcester State College. The annual award is given to the one student from the graduating class who has exhibited all-around scholastic excellence. For the past several years, the SHS cheerleaders have been the class cheering squad in Worcester County and, possibly of the entire state.

This year's group, under Junior Tri-Captains Sherry Szydluk, Michelle Frechette and Kathy Lavallee, was no exception.

Whether during the football or basketball seasons, they proved time and time again that cream always rises to the top.

Their vigorous and crisp routines and cheers were the envy of other squads game after game and set the standard for others to follow. Dedication and pride and the outstanding leadership of thirteen-year coach Ms. Linda Langevin Jowett all contributed to their continued success.

At 5:30 A.M., on April 23, 1984, the French Club embarked from SHS and headed for Quebec, Canada. The 10 hour trip flew by and before they knew it, the Canadian border awaited them. For the next three days, sights such as the Montmorency Falls, Ste. Anne de Beaupre, the Citadel, and the beautiful Chateau Frontenac were seen.

The revolving L'Astrol Restaurant, located in the Concord Hotel, was the favorite eating spot!!
